Innovative design model

The Belinea 10 17 20 impressively combines an attractive design and the latest technology, making the display a real eye-catcher in any office. And its low price makes the SilverBlackStyle design model stand out.

With an 8 ms response time, the Belinea 10 17 20 provides flicker-free images and is therefore the ideal monitor for dashing video animations and multimedia applications. The additional digital connection (DVD-D) also provides excellent picture quality. With its integrated speakers and unusual design, the Belinea 10 17 20 is particularly well suited to small companies that demand good performance, especially for multimedia applications, and value the appearance of their monitors.
